3. Potholes and Road Maintenance Follow Up with Town - Ian will follow up with the town this week as nothing has been acted upon.
4. Property Sales on LRS-:
 1. Need a fact sheet for new owners - Who makes it, by when? -Joanne will start a fact sheet to share with the group
 2. Possible Severance and Zoning Change - any land owner would need to apply for changes, which would include public notification. In this manner, we would have a formal opportunity to express concern
5. Incorporation, Insurance, FOCA
 1. This matter should be next. Membership to FOCA is \$125 base +\$3.25 per household and seems reasonable.
 1. **Schedule a meeting for Monday September. 11 at 11am at Ian's to discuss and possibly get approval from everyone on this committee.**
